Notification

On

**The Delay in Releasing the 1st Quarterly Report in 2023
of Phnom Penh Autonomous Port for the Second Time**

Phnom Penh Autonomous Port (PPAP) would like to inform investors and the public that according to Notification No. 439/23 dated May 12th, 2023, PPAP has notified regarding the delay in releasing the 1st Quarterly Report of 2023 until **May 31st, 2023**.

Despite this, our Independent Auditor KPMG required PPAP to do restatement on some accounts in the accounting book; thus, PPAP needs more time providing the supporting document to the auditors and spend more time discussing with our previous Independent Auditors BDO, who has reviewed and audited our financial statement previously. Therefore, the **PPAP's 1st Quarterly Report of 2023** will continue to delay for the second time until **June 23rd, 2023**.

Please, all investors and the public, kindly be informed. *[Signature]*
