Report on review of condensed interim financial information

To the shareholders of Sihanoukville Autonomous Port

Introduction

We have reviewed the accompanying statement of financial position of Sihanoukville Autonomous Port ('PAS') as at 30 June 2019 and the related statements of profit or loss and other comprehensive income for the three-month and six-month periods then ended, the statement of changes in equity and cash flows for the six-month period then ended and notes, comprising a summary of significant accounting policies and other explanatory notes. Management is responsible for the preparation and presentation of this condensed interim financial information in accordance with Cambodian International Accounting Standard 34, 'Interim Financial Reporting'. Our responsibility is to express a conclusion on this condensed interim financial information based on our review.

Scope of review

We conducted our review in accordance with Cambodian International Standard on Review Engagements 2410, 'Review of interim financial information performed by the independent auditor of the entity'. A review of interim financial information consists of making inquiries, primarily of persons responsible for financial and accounting matters, and applying analytical and other review procedures. A review is substantially less in scope than an audit conducted in accordance with Cambodian International Standards on Auditing and consequently does not enable us to obtain assurance that we would become aware of all significant matters that might be identified in an audit. Accordingly, we do not express an audit opinion.

Conclusion

Based on our review, nothing has come to our attention that causes us to believe that the accompanying condensed interim financial information is not prepared, in all material respects, in accordance with Cambodian International Accounting Standard 34, 'Interim Financial Reporting'.

SIHANOUKVILLE AUTONOMOUS PORT

NOTES TO THE CONDENSED INTERIM FINANCIAL INFORMATION (UNAUDITED) FOR THE SIX-MONTH PERIOD ENDED 30 JUNE 2019

1. GENERAL INFORMATION

The Sihanoukville Autonomous Port (PAS) is a public autonomous institution that is under the technical supervision of the Ministry of Public Works and Transport (MoPWT) and the financial supervision of the Ministry of Economy and Finance (MoEF), with its headquarters in Preah Sihanouk Province, the Kingdom of Cambodia.

PAS is a legal entity with autonomous administration and financing and was established in accordance with Sub-decree 50 ANKR BK dated 17 July 1998, which gave it the general status as a public autonomous institution.

PAS was registered with the Ministry of Commerce and obtained the registration number Co.4784 ET/2017, dated 21 February 2017. Its shares of class C were listed on the Main Board of Cambodia Securities Exchange (CSX) on 8 June 2017.

PAS is currently the sole international and commercial deep sea port in the Kingdom of Cambodia. According to the establishing Sub-decree, the mission of PAS is to provide the following sea port services and sea port related services which include:

- bringing vessels in and out and providing them with supplies;
- conducting cargo handling, offloading, loading and transporting;
- maintaining and safeguarding stocks, warehouses and yards;
- developing, rehabilitating and expanding the PAS's existing infrastructures;
- taking responsibility on health care, security and order in its management areas; and
- committing to manage and organise the operational activities to be effective and progressive

In the status as public autonomous institution, PAS has hereby obtained an extensive authority and major duties from the Royal Government of Cambodia to carry out its activities in accordance with its objectives.

The registered office of PAS is Terak Vithei Samdech Akka Moha Sena Padei Techo Hun Sen Sangkat No. 3, Sihanoukville City, Preah Sihanouk Province, the Kingdom of Cambodia.

The condensed interim financial information was approved for issue by the Board of Directors on 12 August 2019.

This condensed interim financial information for the six-month period ended 30 June 2019 has been reviewed, but not audited.

2. BASIS OF PREPARATION

This condensed interim financial information for the six-month period ended 30 June 2019 has been prepared in accordance with Cambodian International Accounting Standard 34 - Interim financial reporting (CIAS 34).

This condensed interim financial information does not include all the notes of the type normally included in the annual audited financial statements. Accordingly, this report is to be read in conjunction with the annual audited financial statements for the year ended 31 December 2018, which have been prepared in accordance with Cambodian International Financial Reporting Standards (CIFRS).

The significant accounting policies used in preparing the condensed interim financial information are consistent with the significant accounting policies used in the preparation of the 2018 audited financial statements.

SIHANOUKVILLE AUTONOMOUS PORT

NOTES TO THE CONDENSED INTERIM FINANCIAL INFORMATION (UNAUDITED) FOR THE SIX-MONTH PERIOD ENDED 30 JUNE 2019

2. BASIS OF PREPARATION (continued)

2.1 *New and amended standards adopted by PAS*

A number of new, improvement, or amended standards and interpretation below became applicable for the current reporting period:

• New standard (*)	CIFRS 16: Leases
• Annual improvement	CIAS12: Income tax
• Annual improvement	CIAS 23: Borrowing cost
• Amended standard	CIAS 19: Employee benefit

(*) CIFRS 16: Leases, it results in almost all leases being recognised on the statement of financial position as the distinction between operating and finance leases is removed. Under the new standard, an asset (the right to use the leased item) and a financial liability to pay rentals are recognised. The only exceptions are short-term and low value leases. PAS has a minimal operating lease with low value.

The accounting for lessor has not significantly changed and PAS is a primary lessor.

There is no significant impact on adoption of standards above.

3. MANAGEMENT ESTIMATES

The preparation of condensed interim financial information requires management to make judgements, estimates and assumptions that affect the application of accounting policies and the reported amounts of assets, liabilities, income and expenses. Actual results may differ from these estimates.

In preparing this condensed interim financial information, the significant judgements made by management in applying the PAS's accounting policies and the key sources of estimation uncertainty were the same as those that applied to the financial statements for the year ended 31 December 2018.

4. FINANCIAL RISK MANAGEMENT

4.1 *Financial risk factors*

PAS's activities expose it to a variety of financial risks: market risk (including foreign exchange risk and interest rate risk), credit risk and liquidity risk.

The condensed interim financial information does not include all financial risk management information and disclosures required in the annual financial statements, and should be read in conjunction with PAS's annual financial statements for the year ended 31 December 2018.

4.2 *Fair value of financial assets and financial liabilities measured at amortised cost*

The methods and assumptions used in estimating the fair values of financial instruments are as follows:

- (a) *Cash and cash equivalents and short-term bank deposits* – The carrying values of these amounts approximate their fair values due to their short-term nature.
- (b) *Trade and other receivables* – The carrying amounts less impairment provisions approximate the fair value because these are subject to normal credit terms and are short-term in nature.
- (c) *Loans to employees* – The carrying amount of current portion of loans to employees is considered to be the same as their fair value due to the short-term nature of the loans to employees. For the non-current portion of loans to employees, it has a fair value KHR 2,221 million as at 30 June 2019, compared to a carrying amount of KHR 2,366 million. The fair values were calculated based on cash flows discounted using a current lending rate. They were classified as level 3 fair values in the fair value hierarchy due to the inclusion of unobservable inputs including counterparty credit risk.

SIHANOUKVILLE AUTONOMOUS PORT

NOTES TO THE CONDENSED INTERIM FINANCIAL INFORMATION (UNAUDITED) FOR THE SIX-MONTH PERIOD ENDED 30 JUNE 2019

4. FINANCIAL RISK MANAGEMENT (continued)

4.2 Fair value of financial assets and financial liabilities measured at amortised cost (continued)

- (d) *Guaranteed dividend payable* - The carrying amount of current portion of guaranteed dividend payable is considered to be the same as their fair value due to the short-term nature of the guaranteed dividend payable. The fair values were calculated based on cash flows discounted using a current fixed deposit rate. They were classified as level 3 fair values in the fair value hierarchy due to the inclusion of unobservable inputs including counterparty credit risk.
- (e) *Borrowings* – The fair value is estimated by discounting the future contractual cash outflows using a current borrowing rate at the period-end.

Financial instruments measured at fair value are analysed into the following fair value measurement hierarchy:

Level 1: Quoted prices (unadjusted) in active markets for identical assets or liabilities. PAS does not hold any listed securities.

Level 2: Inputs other than quoted prices included within level 1 that are observable for the asset or liability, either directly (that is, as prices) or indirectly (that is, derived from prices).

Level 3: Inputs for the asset or liability that are not based on observable market data (that is, unobservable inputs).

5. SEGMENT INFORMATION

PAS has a reportable segment, namely, port service. The chief operating decision-maker (the management team) reviews the internal management report, which reports the performances of the port service segment as a whole, to assess performance and allocate resources. The chief operating decision-maker assesses the performance of the reportable segment by measuring gross revenue, profit before tax and net profit compared to prior periods. In addition, PAS also has a Special Economic Zone (SEZ) operating at early stage, please refer to note 8.

Significant revenues are derived from external customers. PAS is domiciled in Sihanoukville and major revenues originate from Sihanoukville and the surrounding areas.

6. DIVIDENDS

On 12 April 2019, the Board of Directors approved to distribute the dividends in respect of profit of the financial year ended 31 December 2018 as follows:

	30 June 2019 KHR'000	30 June 2018 KHR'000

17. INCOME TAX EXPENSE

Tax on profit is calculated based on the current interpretation of the tax regulations. However, these regulations are subject to periodic variation and the ultimate determination of tax on profit will be made following an inspection by the General Department of Taxation (GDT).

Under the Cambodian tax regulations, PAS is subject to pay income tax at rate of 20%. According to ANUKRET No.01 ANKR.TT dated 8 January 2015, listed entities are entitled to a three-year tax incentive given by the Securities Exchange Commission of Cambodia. On 16 May 2018, GDT approved the incentive of 50% of income tax rate (20%) and accordingly PAS is subject to 10% income tax rate from 2017 to 2019. The latest comprehensive tax audit report issued by General Department of Taxation was for the year ended 2015, and all tax liabilities were settled in 2017.

18. EARNINGS PER SHARE

i) Basic earnings per share

Basic earnings per share is calculated by dividing the profit attributable to equity holders of PAS by the weighted average number of ordinary shares in issue during the period.
