Public Notice
Launching of Mobile Trading System (MTS)
For Equity Securities Trading

Cambodia Securities Exchange (CSX) is pleased to inform its members, investors, journalists, and the public that CSX is going to soft-launch **Mobile Trading System (MTS)** for the equity securities trading from **June 25, 2018**. In order to use MTS, investors shall have a valid trading account at any brokers who are the CSX's members and have registered with CSX to provide the MTS service. It is offered free of charge during the soft-launch period and shall continue for the period of one year starting from the official launching date which will be notified later.

MTS is an online trading system developed under the support of Korea International Cooperation Agency (KOICA) to make ease for investors and to promote the trading of equity securities in the CSX. Operating on the web browser of smartphones and tablets, MTS will enable investors to place, correct, and cancel their own orders by themselves, as well as to check orders and personal historical trading data. Meanwhile, investors can also find market data, disclosures, news from listed companies and CSX, and other information which is important for making investment decision provided by CSX's member.

Investors, who wish to subscribe to MTS, can activate their MTS account through: <https://mts.csx.com.kh> and follow the instruction or directly contact their brokers for assistance.

For more information, please contact CSX through Tel: (+855) 23 95 8888 or Email: market@csx.com.kh.
