The Inauguration of the Cambodia Securities Exchange

The Ministry of Economy and Finance would like to inform the general public that, in accordance with the decision of the Royal Government of Cambodia, the Ministry of Economy and Finance plans to inaugurate **the Cambodia Securities Exchange Co., Ltd**, which is a securities market operator, a securities clearing and settlement facility operator, and a depository operator, on **July 11th, 2011**, and based on the estimated progress of related work, the first securities trading will begin towards the end of 2011.

The above two different dates are being planned, based on the experience of some countries, which scheduled the start of the securities market operator first, in order for this operator to have enough time in preparing the process of the first securities trading.

Therefore, Securities Firms, Securities-related Cash Settlement Agents, Securities Registrar, and Securities Transfer Agents, which have been licensed or accredited by the Securities and Exchange Commission of Cambodia, and intends to become a member or a participant of the Cambodia Securities Exchange, are strongly encouraged to follow the procedure of Membership application at **the head-office of the Cambodia Securities Exchange (located in Canadia Tower, 25th floor, No.315, Ang Duong Street)** from today onwards.
