

CREATE YOUR PRODUCT CATALOGUE(Seller)

- Search for products.
- Negotiate directly with seller.
- Create a purchase order.

* SMEs who are keen on exporting can create their own storefront and product catalogue. This will comprise product details, technical specification, pricing, payment terms etc.

Step 1: Sell on the Proxtera Network

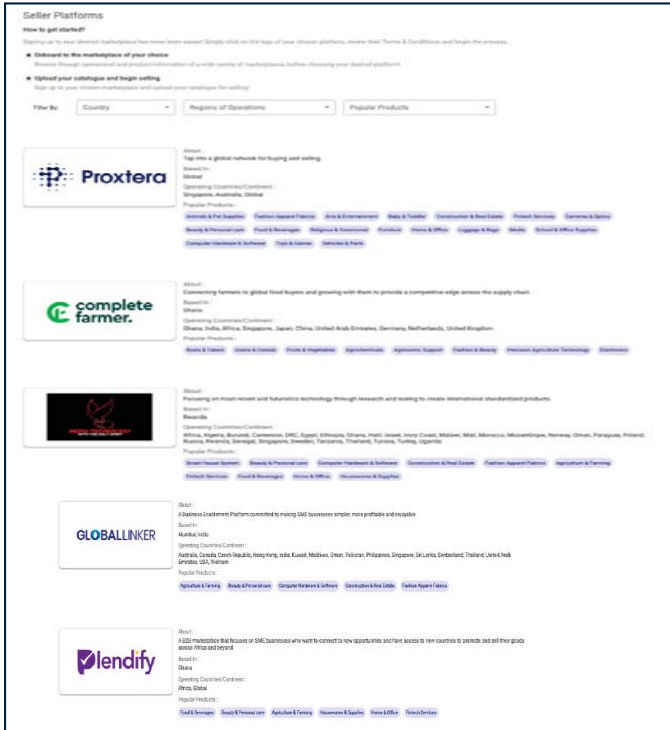

The screenshot shows the Proxtera dashboard interface. At the top, there is a search bar and navigation links for USD, Become a Business Buyer, Developer, and Favourites. The main content area is titled 'Dashboard' and 'Our Features'. It includes sections for 'Verify Your Business' (with a 'Verified' status), 'Get Financing' (with a 'Get Finance' button), and 'Connect with Payment Providers' (with a 'Connect to Payment Providers' button). A red box highlights the 'Sign up with one of our Seller Platforms' section, which includes the text 'Looking to sell? Sign up with one of our Seller Platforms!' and a 'Choose a Seller' button. Below these sections is a navigation bar with icons for Enquiries, Purchase Orders, Invoices, Payments, and Financing Requests. At the bottom, there is a table with the following data:

Enquiry ID	Product Name	Incoterms	Quantity	Date of Submission	Status	Chat
IN419658	Product Testing 6/5/24	CIF	1	28/05/2024 03:51 pm	Approved	

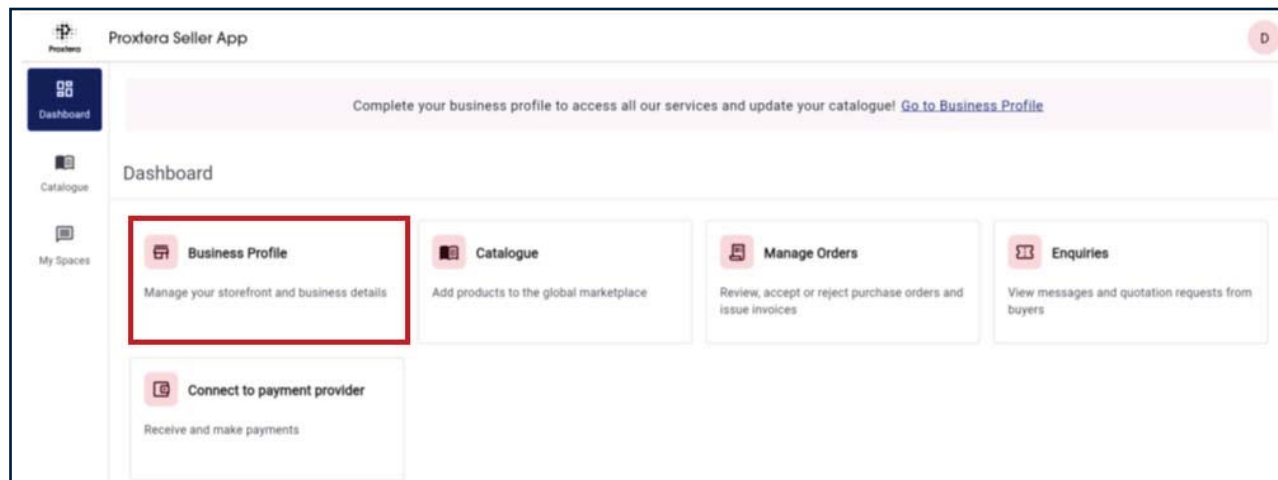

- ✓ Proceed to your dashboard and click on “Choose a Seller”.

Step 2: Choose to sell with our partner seller platforms directly on the Proxtera Network

Click on Proxtera to start listing your products.

Step 3: Complete your Seller Profile

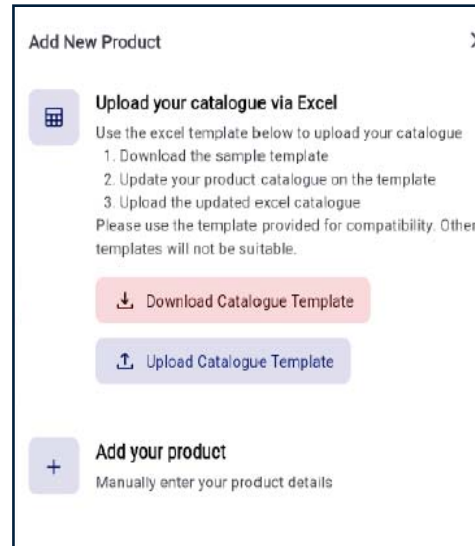

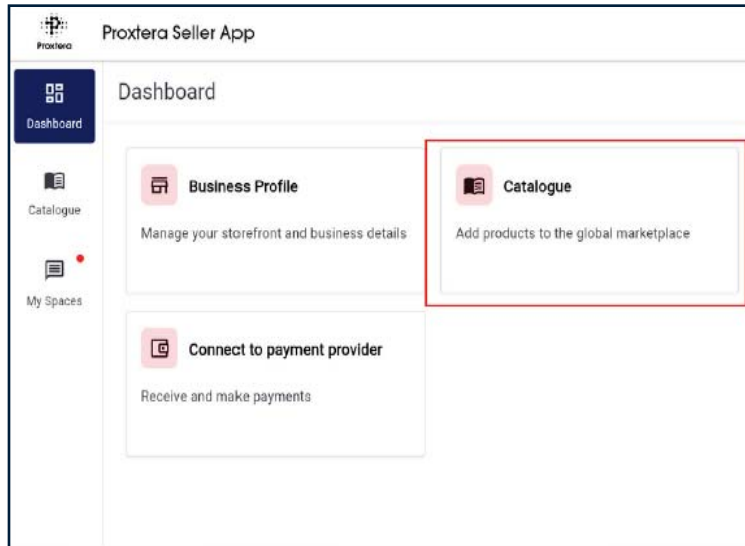

- Click on “Business Profile” and complete the rest of your seller onboarding.

Additional data fields to complete Seller Business Profile:

- Store Name (if it differs from Company Legal Name)
- Store Description.
- Store Logo.
- Store Address.
- Certificates & Licenses (if applicable)

Step 4: Add your Catalogue

- Add a single product or do a bulk upload.
- You will be able to edit and delete your product after uploading it.
