Payroll Service

Payroll Service

Payroll is a bulk payment of wages and salaries to company's employees – usually by credit to their accounts, or phone number.

Benefits

- Facilitate payroll processing and reduce costs
- Encourage employees to use modern services
- Increase confidence and transparency in salary payments to employees
- Reduce the time spent on cash counting and service quickly
- Reduce the cost of hiring staff responsible for salary payments to employees
- Reduces the risk of carrying cash for company to pay salaries to employees.

Features

- Provide options to companies or institutions for salary payments to Savings Account, Wallet Account, or phone number of their employees through a list name given to ACLEDA Bank by agreement.
- Pay the salary for employees in every provinces and city nationwide.
- Employees of a company or institution can withdraw their salary at any ACLEDA Bank's branch nationwide for free of charge.

Currencies

Payroll service is offered in Khmer Riel or US Dollars.

You can manage your employees' payroll service through ACLEDA Internet Bank, make your employees feel confident and they can easily manage their salaries such as: money transfer, payments, cardless cash withdrawal/ deposit via ATM nationwide, and many other banking services on their phones.
