The screenshot displays the 'Retail Internet Bank' interface. On the left, a dark blue navigation menu lists various services: Home, Exchange Rate, Account Services, Bill Payment, Local Fund Transfer, Overseas Fund Transfer, Top Up, Standing Order, **Manage Favorite** (highlighted with a red box), and Reports. At the bottom of the menu are social media icons for Facebook, Messenger, Twitter, and LinkedIn. The main content area is titled 'Manage Favorite' and features a search bar. Below the search bar, there is a 'Standing Order' section containing a card for 'Lucky' with the account number '0001-022144...'. In the bottom right corner of the interface, there is a yellow circle with the number '2' and a red square containing a white plus sign, indicating the next step in the process.
